INFORMATION DISCLOSURE STATEMENT

Applicants request consideration of the references listed on the attached PTO-1449 form. Under 37 C.F.R. § 1.98 (a)(2)(ii), only copies of foreign patent documents and/or non-patent literature are enclosed. Copies of any listed U.S. patents or U.S. patent application publications can be provided upon request.

The applicant invites the examiner to consider the position of the examiner and replies by the applicant that may be set forth in the prosecution of the following United States patent application. The specification of this other application contains at least some material that is similar to the material set forth in the specification of this application. The applicant assumes that the examiner has direct access to this file, but will be happy to provide copies to the examiner upon request:
